The most popular coverage on campus

As a graduate student at Concordia University (including CIPs) who is paying GSA association fees and tuition fees at either the Canadian or Quebec rates, and who has an active registration with Concordia in the Fall or Winter Term, you have access to one of the most important services on campus, the GSA Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs, like vision care, dental care, and travel care abroad. All international students are eligible to enrol in the Dental Plan; those covered by provincial medicare may be eligible for the Health Plan as well. Visit www.studentcare.ca for more details on eligibility.

We invite you to verify if you're already covered by another plan (through an employer, parent, or spouse). If so, the student Plan can still be of interest to you, as you can be reimbursed the remaining eligible fees (partially or fully) through your secondary plan.
