## Travelling safe and secure

Blue Cross provides security to millions of travellers each year.

With Blue Cross' Travel Health Passport, you too can travel worry-free knowing you are protected in the event of a medical emergency.

When travelling outside your province of residence, you and your family are eligible for:

## Worldwide Medical Coverage

Comprehensive medical benefits with up to \$5 million per emergency.

## Trip Cancellation

Up to \$1,500 per trip for pre-paid, non-refundable trip expenses in case of a medical emergency.

## Trip interruption

Up to \$5,000 per trip in case of a medical emergency.

## Assistance Services

24-hour access to medical and legal referrals, pre-trip information, lost document assistance, and more.

## What should I do in a Medical Emergency?

Please contact CanAssistance toll-free at 1-866-601-2583 or collect at 0-204-775-2583 prior to seeking medical treatment so we can assess your situation, help you locate a suitable provider in your area, and open a medical case to monitor your care.

In a medical emergency where you are unable to reach CanAssistance, please seek treatment immediately at the nearest health facility, and have a travelling companion or health facility employee contact us on your behalf as soon as possible.

When you call, you will be asked to provide general information including your name, group policy number, nature of your emergency, and contact information. Our Assistance Coordinators will monitor your care until treatment is complete.

## Plan Details

We recommend that you review your detailed explanation of coverage prior to travelling. Details are available at [www.studentcare.ca](http://www.studentcare.ca).

✂ Detach your Travel Health Passport and bring it with you when you travel.
