## An Essential Service for Students

As an eligible student, you're automatically covered by one of the most important services on campus: the GSA Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs. Eligible students include:

- Full-time and part-time graduate students in September or January who pay McMaster fees, including international students, students away on exchange, and MBA students
- Full-time Fall and Winter Term Divinity students (automatically covered by the Health Plan only)

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.
