An Essential Service for Students

If you're an undergraduate student and a member of NUGSS, you may be automatically enrolled or eligible for self-enrolment in one of the most important services on campus: the NUGSS Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Full-time undergraduate students who are registered on the Prince George campus (including international, certificate, and sponsored students) in the fall or winter are automatically enrolled.

Part-time, regional campus, and fall co-op and internship students, as well as new students starting in May and third- and fourth-year medical students, are not automatically enrolled but may be eligible to enrol themselves.

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.

See www.studentcare.ca for more details.
