An Essential Service for Students

As an undergraduate student in the Fall or Winter Term at McGill University and a member of the Students' Society of McGill University (SSMU) who is paying tuition fees at either Canadian or Quebec rates, you have access to one of the most important services on campus, the SSMU Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs, like vision care, dental care, and travel care abroad. International undergraduate students beginning in the Fall or Winter Term are automatically covered by the Dental Plan only. Visit www.studentcare.ca for more details on eligibility.

We invite you to verify if you're already covered by another plan (through an employer, parent, or spouse). If so, the student Plan can still be of interest to you, as you can be reimbursed the remaining eligible fees (partially or fully) through your secondary plan.
