An Essential Service for Students

As an eligible student, you're automatically covered by one of the most important services on campus, the SUO Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Undergraduate and graduate students in good standing with the University who are SUO members and who are taking at least one course per term are eligible.

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.

See www.studentcare.ca for more details.
