An essential service for students

As an eligible student, you're automatically covered by one of the most important services on campus: the UMSU Enhanced Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Eligible students include:

- Undergraduate students who are UMSU members (i.e. students registered in at least one on-campus course) and registered for at least 6 credit hours in the Fall Term
- New Winter Term undergraduate students who are UMSU members (i.e. students registered in at least one on-campus course) and registered for at least 9 credit hours in the Winter Term
- Full-time graduate students who are UMGPS members

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees. See [alumo.ca](#) for more details.
