Drug Coverage Search

Here’s how to find out whether a certain drug is covered under your plan.

**Step 1**
Select ‘Check Your Coverage’ from the ‘Your Health Benefits’ tab.

**Step 2**
Click on the ‘Drug’ tab.
Step 3

Select whether this search is for you or one of your dependents (if covered).

Step 4

Enter the drug name or the drug identification number (DIN) and click ‘Search’.

Important: If you search by drug name, multiple results may show up and you will need to sort through the list to know which type of the drug and corresponding DIN is covered by your plan.

The drug name/description and applicable DIN will appear in the search results.

Step 5

Click ‘Check my eligibility’.
