DRUG EXCEPTION REQUEST FORM
Pharmacare Plan – Non-Benefit Products

STUDENTCARE

Exceptions can only be granted for the current policy year.
Any granted drug exceptions will be set up for the current policy year ending on August 31.

YOU MUST INCLUDE A COPY OF YOUR VALID PROVINCIAL HEALTH-CARE CARD.

The exception will be considered for any medication that is not included on the provincial formulary and that has no other alternatives. The exception can only be requested for drugs that legally require a prescription.

The student Plan does not cover vitamins, supplements, antihistamines, fertility, erectile dysfunction, cosmetic, or smoking cessation products. No exceptions can be made for these products. Vaccinations, anti-malaria medications, and contraceptive devices are not eligible for an exception. Submitting a drug exception does not guarantee that an exception will be granted.
